

EDI Staffing has offered you the option to onboard as an LLC (Independent Contractor) or a W2 employee. If you chose LLC, you are required to send us your Articles of Incorporation, a tax statement and proof of a current, business bank account, proving you are an LLC. You are also responsible for returning a completed W9 form, with a copy going to the recruiter and billing@edistaffing.com

As an LLC, you will not be able to receive ACH payments – the only form of payment we will be sending you will be a mailed, paper check.

Please sign and return this form, stating that you understand your obligations, and will comply. Thank you.

Name of LLC _____

Printed name _____

Signature _____

Date _____
